

## Global Evidence Summit 2024!

Plans for the second Global Evidence Summit (GES 2024) continue to gather pace. Our many [organising committees](#) are working hard behind the scenes to bring you a programme that's engaging, informative and, above all, addresses the varied themes we have chosen to focus on:

- Sustainable development agenda
- The importance of research integrity making evidence accessible
- Power of synergy in evidence synthesis & synthesis products
- Evidence translation & implementation
- Advocating for greater evidence communication & use of evidence
- Global evidence to local impact

*Thanks for all your submissions so far. Please note that the date for abstract and workshop submissions has now been extended and will now close on Thursday 29 February. Submit today and don't miss the deadline!*

## Visa Info

Info on how to apply for a visa to attend GES 2024 can be found on our [website](#).

Be sure to apply ASAP to avoid any delays with your application!

Invitation letters will be issued to delegates once registration has been completed.

## Ambassador Programme Launch!

The summit will provide an excellent opportunity for ambassadors and exhibitors to promote their organisation to a keenly interested, relevant and influential audience in an environment away from everyday distractions. Our packages have been designed to offer you a mix of benefits, including extended exposure of your brand to our delegates. The full brochure is now available to download on our [website](#).
